Completed Assembly

Parts

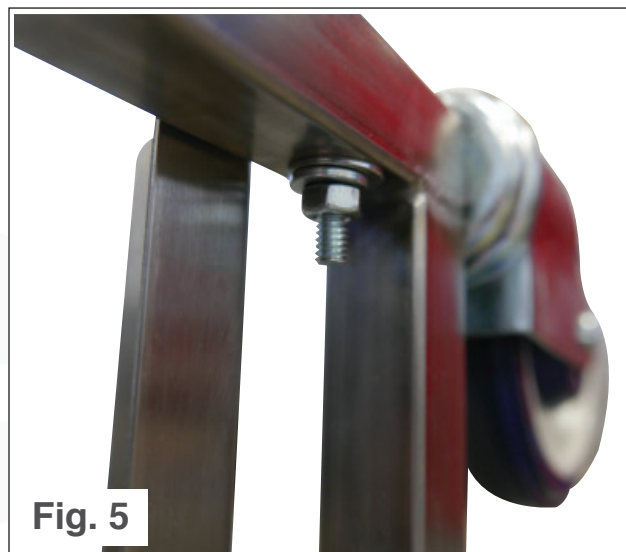

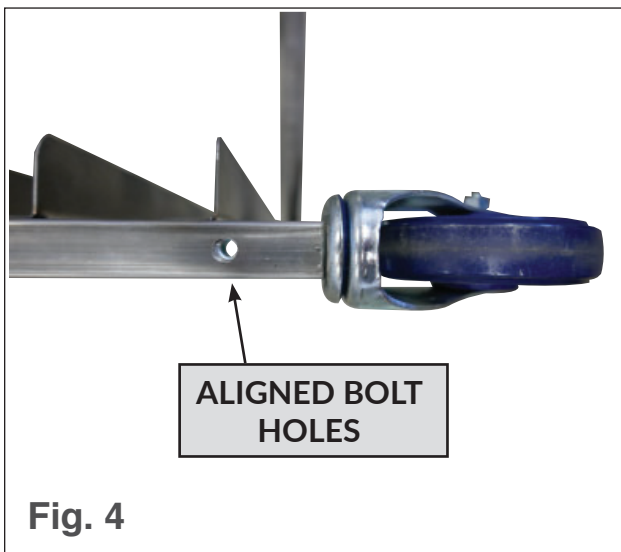

Tools Needed

For additional assistance with assembly, Keirton Technical Support is available between 7 a.m. and 7 p.m. Pacific Standard Time, seven days a week at:

- 1-888-254-3204
- support@keirton.com

Step 1: Attach the Casters

1. Lie the rack on its side.
2. Insert all four casters into the slots in the bottom of the rack. Ensure the bolt holes in the casters align with the bolt holes in the rack (see Fig. 4).
3. Place a bolt through each bolt hole.
4. Secure a flat washer, then a split washer, then a nut over the end of each bolt (see Fig. 5).

Step 2: Insert the Trays

1. Stand the rack upright.
2. Insert trays.
3. Place the metal sheet in the bottom tray to catch any debris (see Fig. 6).
