that the Thousand per Hour (TPH) rolling machine will be free from defects in material and workmanship for a period of 1 year from date of delivery provided it is used in the manner for which it was designed.

VI will repair or replace the unit or defective part at its option. In the event of a defect or failure in material or workmanship, please notify VI in writing at any of the coordinates above to initiate the warranty process.

VI uses Original Equipment Manufacturer (OEM) papers in the design process. OEM's report they are having problems w/ bootlegged papers. VI has seen this problem and can state positively that bootleg papers may, or may not meet the same quality standards as the OEM.

VI cannot, is not and will not be responsible for inconsistencies in paper manufacturer's quality control.
