Material Safety Data Sheet

Product Identification

Product Name: Life: Cloning Solution
Product Use: Cloning Fertilizer
Fertilizer Analysis: 1-0.5-1

Components

| Name | CAS # |
|---------------------|------------|
| Calcium Nitrate | 13477-34-4 |
| Phosphoric Acid | 7664-38-2 |
| Potassium Phosphate | 7757-79-1 |

Shipping Information

DOT (HAZMAT) Proper Shipping Name: None
ID#: None
DOT Label: None
U.S. Surface Freight Classification: None
Pollutant Category: Unknown

NFPA Rating

Health 0
Fire 0
Reactivity 0
Special Hazard NA

Physical Characteristics

Boiling Point: Unknown
Vapor Pressure (mm Hg): Unknown
Vapor Density (Air = 1): Unknown
Water Solubility: High
Physical State: Liquid
pH: <1
Specific Gravity (H2O = 1): >1.3
Melting Point: Unknown
Appearance: Clear liquid
Color: Clear Liquid
Odor: None

Fire And Explosion Hazard

Flash Point (Method): Unknown
Smoke Point: Unknown
Fire Point: Unknown
Flammable Limits (LEL / UEL): Unknown
Extinguishing Media: Class "B" fire extinguishers
Special Fire Fighting Procedures: None
Unusual Fire and Explosion Hazards: None
Auto Ignition Temperature: Unknown
Auto Decomposition Temperature: Unknown

Reactivity

Stability:

Conditions to Avoid:

Incompatibility (Materials to Avoid):

Hazardous Decomposition or By Products:

Hazardous Polymerization:

Conditions to Avoid:

Stable

Unknown

Unknown

Unknown

Will Not Occur

Nuclear Blast

Health Hazard Data

Route of Entry:

Carcinogenicity:

Signs and Symptoms of Exposure:

Medical Conditions Aggravated by Exposure:

Health Hazards (Acute and Chronic):

Skin, & Ingestion

None Known

None Known

None Known

May act as a slight irritant to the skin or a mild allergen. Prolonged skin contact could result in dermatitis in sensitive individuals.

Emergency and First Aid Procedures:

No special hazard. Green-Tee can be removed from normal skin by washing with soap and water.

Precautions For Safe Handling and Use

Steps to be Taken in Case Material is Released or Spilled:

Spills may produce slippery surfaces. Employ normal sanitation procedures to reduce risk. Absorb material on clay, sawdust, or other material.

Waste Disposal Method:

Incineration or landfill. Consult proper state and federal authorities first.

Precautions to be taken in Handling and Storing:

Tanks should be vented. Empty tanks must be vented and purged with air before entry. Observe standard tank entry precautions.

Other Precautions:

Exposure of Material to air and water may cause deterioration in quality.

Control Measures

Respiratory Protection:

Use self-contained respiratory equipment in closed systems.

Ventilations:

Protective Gloves:

Eye Protection:

Other Protective Clothing or Equipment:

Work / Hygienic Practices:

Mechanical (General)

Recommended

Safety goggles

None Required

Wash with soap and water
