

Royal Gold LLC
Safety Data Sheet
Crown Jewels Bloom

Section 1 – Product Identification

Product Name: Crown Jewels Bloom

Manufacturer's Name: Royal Gold LLC

Manufacturer's Address:
Royal Gold LLC
600 F St, Suite 3 # 603
Arcata, CA 95521

Information Telephone Number:
707-822-4653

Date Prepared: 9/21/2020

Section 2 – Hazard(s) Identification

Hazard Group: Health

GHS classification in accordance with OSHA (29 CFR 1910.1200)

Hazard Classes: Potential skin irritant and skin sensitizer (Category 1B)

Hazard Statements

H305: May be harmful if swallowed and enters airways.

H316: May cause mild skin irritation.

H317: May cause an allergic skin reaction.

H320: Causes eye irritation.

H333: May be harmful if inhaled.

H335: May cause respiratory irritation.

Section 3 - Composition/Information on Ingredients

Ingredients A Proprietary mixture of plant and/or animal by-products, mined minerals, and soil amendments.

CAS# N/A

NIOSH Registry #: Not Registered

Appearance & Color: Tannish Powder

Section 4 – First Aid Measures

Inhalation: Remove person to fresh air and keep comfortable for breathing. If respiratory distress continues, seek medical attention.

Skin Irritation: Wash with plenty of soap and water. If irritation persists, seek medical attention.

Eye: Rinse cautiously with water for several minutes. If irritation persists, seek medical attention.

Ingestion: If gastrointestinal distress occurs, seek medical attention.

Allergen: This product may cause an allergic reaction. If an allergic reaction occurs, seek medical attention immediately.

Section 5 - Fire Fighting Measures

Flash point (Method Used): N/A

Extinguishing Media: Water, regular foam, carbon dioxide, dry chemical

Special Fire Fighting Procedures: N/A

Unusual Fire and Explosion N/A

Flammable Limits: N/A

Section 6 – Accidental Release Measures

Personal Precautions: Wear a particle mask and nitrile gloves during handling.

Environmental Precautions: None

Methods for Handling Spills: In case of spill: handle using nitrile gloves and wear a particle mask. Employ best-practice sanitation methods for clean-up. Utilize vacuum or sweep the product with a broom and dispose in a garbage receptacle. There are no special emergency procedures for clean-up.

Section 7 Handling and Storage

Safe Handling: Wear gloves and a particle mask when handling and transporting. Avoid excessive humidity, contact with moisture, and extreme temperatures to retain product functionality. There are no known incompatibilities with this material.

Storage: Store in a cool dry place away from children and animals.

Section 8 - Exposure Control/Personal Protection

Exposure Limit: There are no exposure limits defined for this product.

Recommended Handling Practices:

Respiratory: Particle mask.

Skin Protection: Nitrile gloves.

Eye Protection: Safety glasses.

Hygiene: Wash hands thoroughly with soap and water.

Ventilation: Ensure workspace is well-ventilated.

Section 9 - Physical and Chemical Properties

Appearance: Tannish powder

Flammability Limits: Unknown

Freezing Point: Unknown

Odor: Earthy ammonia odor

Solubility in Water: unknown

Odor Threshold: Unknown

Initial Boiling Point: Unknown

Vapor Pressure: Unknown

Boiling Range: Unknown

Vapor Density: Unknown

Flash Point: Unknown

pH: 8.1

Evaporation Rate: N/A

Relative Density: Unknown

Flammability: Unknown

Viscosity: Unknown

Section 10: Stability & Reactivity

Reactivity: No test data currently available

Chemical Stability: Stable

Possibility of hazardous reactions: None currently known

Conditions to avoid: Extreme moisture and temperatures

Incompatible Materials: None currently known

Hazardous Decomposition Products: None currently known

Section 11: Toxicological Information

Primary Routes of Exposure: Inhalation, skin contact, and eye contact

Symptoms of Exposure: May act as a slight irritant to the skin or respiratory system. Slight dermatitis may occur. Mild respiratory irritation and cough may occur.

Possible allergic reactions in sensitive individuals. Rash and swelling may occur in skin. Mild respiratory distress and frequent coughing may

occur. No studies currently known describing effects of delayed, immediate, or chronic effects from short- and long-term exposure.

LD50: Currently unknown

Carcinogenicity: Currently unknown

Medical Conditions Aggravated by Exposure: Allergic reaction may occur

Section 12 Ecological Information

There are no known ecological effects.

Section 13 Disposal Considerations

There are no known restrictions on disposal containers. Recommended disposal is use as fertilizer in a compost pile, garden, or other plant-based ecosystem. Alternatively, product may be disposed of in a landfill in accordance with local, state, and federal regulations. Do not dispose through sewage systems. Do not burn as a method of disposal.

Section 14 Transport Information

UN Number: None assigned

UN Proper Shipping Name: None assigned

Transport hazard class: Non-hazardous

Packing Group: None Assigned

Section 15 Regulatory Information

There are currently no known regulations of the product.

Section 16 Other Information

The information provided in this Safety Data Sheet is correct to the best of our knowledge at the date of its publication. The information given is designed only as guidance for safe handling, use, processing, storage, transportation, disposal, and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text.

Date of Preparation: 9/21/2020
