

EARTH JUICE® FEEDING CHARTS

Earth Juice® fertilizers are formulated to deliver the macro and micro nutrients needed at the various stages of plant growth. Follow the feeding charts below to maximize the potential of your plants. This guide lists each product line and the recommended periods in a plant's life cycle in which to apply particular formulas. Refer to the appropriate product feeding charts for more detailed directions.

Always Mix Formulas Vigorously Before Each Use

These charts are only intended as general guidelines and use rates may be adjusted as per individual needs.
