Fertilizer Solution

GUARANTEED ANALYSIS

Total Nitrogen (N) 18.0%

18.0% Urea Nitrogen

Available Phosphate (P₂O₅) 1.0%

Sulfur (S) 1.1%

Boron (B) 0.125%

0.125% Water Soluble Boron (B)

Derived from urea, ammonium sulfate, phosphorus acid, ammonia and boric acid.

WARNING: The use of Boron on any crops other than those recommended may result in injury to the crop. Contact your county agent or field representative before making application.

KEEP OUT OF REACH OF CHILDREN

Application Instructions

Chrome can be applied to all crops, including but not limited to: field corn grown for seed, popcorn and sweet corn. Apply 1 to 3 gallons per acre to crops during grain fill. Make applications early in the day when it is cool and the temperature is below 80°F. The presence of dew or moisture on the leaves will enhance uptake of this product into the plant.

Compatibility

Chrome is compatible with most common foliar liquid nutrients and micronutrients; however, USER ASSUMES FULL RESPONSIBILITY to ensure compatibility when tank mixing with other products.

Do not mix with other components without a compatibility test. An adequate test for compatibility involves mixing in a small container the proper proportions of the product with water and the other ingredients.

Conditions of Sale

Seller warrants this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions and use. No one other than an officer of the seller is authorized to make any warranty, guarantee, or direction concerning this product. Because time, place, rate of application and other conditions of use are beyond the seller's control, the seller's liability from handling, storage, and use of this product is limited to replacement of the product or a refund of the purchase price.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.htm> or by writing to Innova at the address on this label and referring to the lot/batch # on this container.

SHAKE IMMEDIATELY BEFORE USE

WARNING
