

Liquid Fertilizer

0-0-4

with 2% Sulfur and 2% Zinc

GUARANTEED ANALYSIS

Soluble Potash (K ₂ O)	4%
Sulfur (S)	2%
Zinc (Zn)	2%
2% Chelated Zinc (Zn)	
Derived from potassium hydroxide, zinc sulfate, zinc EDTA and zinc IDS	

NON-PLANT FOOD INGREDIENTS:

Humic Acids. 20%

General Information

Patented KaPre® Spectra OC (0-0-4+2S with 2% chelated Zn) is formulated with PERFORMANCE Organic Acids™, a blend of a wide range of humic acids that are sourced from Leonardite.

KaPre Spectra OC provides growers with a sustainable tool for improving nutrient uptake.

Application Rates and Timing

KaPre Spectra OC can be used with fertilizer applications, including in-furrow starter fertilizers as well as fertilizers containing phosphate and micronutrients. It can be applied to all row crops, field crops, forage crops, feed crops, vegetable crops, trees, nut trees, vines, lawns, gardens, and ornamentals.

Soil Applications:

KaPre Spectra OC may be applied pre-plant, as a starter, side dressed, fertigated, top dressed or as a banded application. It should be diluted with water to ensure uniform distribution at a rate of 2 quarts to 3 gallons per acre.

Fertigation Applications:

KaPre Spectra OC may applied at a rate of 1 quart to 8 gallons per acre per irrigation. Run irrigation for a minimum of 2 hours after application to flush lines and ensure nutrient distribution.

Foliar Applications:

KaPre Spectra OC may applied at a rate of 1 quart to 3 gallons per acre in enough water to provide adequate coverage. Multiple applications may be beneficial.

Blending and Compatibility

Do not mix with other chemicals without a compatibility test. An adequate test for compatibility involves mixing in a small container the proper proportions of the product with water and the other ingredients. Agitate and let stand for one hour. If a precipitate forms then apply the products separately.

Mixing Instructions

Partially fill tank with water and begin agitation. Add KaPre Spectra OC slowly to the circulating mix. While agitating, inject the fertilizer product into the KaPre Spectra OC/water mixture.

KEEP OUT OF REACH OF CHILDREN

WARNING

Harmful if swallowed. Causes skin irritation. Causes eye irritation.

PRECAUTIONARY STATEMENTS:

Wash skin thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves/protective clothing/eye and face protection.

IF SWALLOWED: Call a poison control center or doctor/physician if you feel unwell. Rinse mouth.

IF ON SKIN: Wash with plenty of soap and water. If skin irritation occurs: Get medical advice/attention.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

Take off contaminated clothing and wash it before reuse. Dispose of contents/-container to an approved waste disposal plant in accordance with local/regional/national regulations.

Conditions of Sale

Seller warrants this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions and use. No one other than an officer of the seller is authorized to make any warranty, guarantee, or direction concerning this product. Because time, place, rate of application and other conditions of use are beyond the seller's control, the seller's liability from handling, storage, and use of this product is limited to replacement of the product or a refund of the purchase price.
