

400A Controller

Irrigation Controller

Your Long-Lasting Irrigation Solution

The 400A-series battery operated controllers are your ideal solution for irrigation control when AC power is not available. Rugged and fully waterproof, you can easily program your 400A-series controllers to meet your landscape's unique watering needs.

Intuitive

- Simple to program
- Multiple programming options
- Large LCD screen and easy-to-read icons
- Master-valve connection and compatibility
- Easy to program with EasyFlow™ navigation flow
- Intuitive icon-based programming

Convenient

- Mounting options include valve box or wall by using the multi-purpose swivel adapter or wall-mount bracket (included)
- Powered by two AA batteries

Built to last

- Durable construction for below-grade (in a valve box) or above-grade installation
- Completely waterproof (IP68)
- Battery life of up to three years
- Threaded battery cap with captive O-ring seal prevents water intrusion in hot or cold/wet environments
