

TipTopBioTM Control

HOW IT WORKS

CERTAIN INSECTS ARE PERISHABLE AND TIME SENSITIVE AND ARE BEST IF MAILED DIRECTLY TO THE CUSTOMER. THIS PACKAGE CONTAINS ONE PRE-PRINTED POST CARD. PAY AT THE REGISTER, MAIL IN THE POST CARD, INSECTS WILL THEN BE SHIPPED DIRECTLY TO YOU FROM THE FARM.

RELEASE INSTRUCTIONS

1. Shipped as ready-to-hatch pupae enclosed in pre-parasitized whitefly pupae fixed to cards.
2. Please release these wasps the day of receipt.
3. Separate the cards at the perforation by cutting them with scissors. Try not to touch the pupae because they are delicate.
4. Hang the cards securely from the middle to upper branches of the infested plants. Place the cards right next to whitefly populations.
5. Hang the cards away from the heat of the sun and away from water.
6. Leave the cards in place for 10 days.

Storage: Do not store the hatched wasps for more than 4 hours. Store at a moderately humid 56-66°F. Do not attempt to cold store the unhatched pupae for more than 4 days.
