

# GROW A & B VEGETATIVE GROWTH

Grow A and B are professionally formulated nutrients that deliver high performance in a simple program. This patented technology enhances nitrogen uptake and provides micronutrients in a unique formula that provides everything the plant needs for vegetative growth. When used together, no additional supplements are required to achieve optimum results.

## PRODUCT INFORMATION:

### GROW A & B

- Patented Technology for nitrogen utilization and nutrient stabilization
- Provides chelated micronutrients to enhance vegetative growth
- Increases plant biomass & yield
- Helps improve nutrient penetration, uptake and usage
- Optimizes size, quality & performance of your plant
- Increases amino acid production in the plant
- Can be used with sensitive crops without phytotoxicity concern
- Delivers a powerful nutrient punch plants need to perform at optimal levels
- Contains specific biological molecules to enhance rapid uptake of nutrients
- Improves plant nutrient health & vigor
- Enhances post-harvest quality

## GUARANTEED ANALYSIS:

### GROW A: 1-0-1

Total Nitrogen (N).....1.0%

1.0% Nitrate Nitrogen

Soluble Potash ( $K_2O$ ).....1.0%

Calcium (Ca).....2.0%

*Derived from: Calcium Nitrate and Potassium Nitrate*

### GROW B: 0-1-2

Available Phosphate ( $P_2O_5$ ).....1.0%

Soluble Potash ( $K_2O$ ).....2.0%

*Derived from: Potassium Sulfate, Monoammonium Phosphate and Potassium Nitrate*

## DIRECTIONS FOR USE

Mix Grow Part A in water and mix well. Then add Grow Part B and mix well. The combined solution can be applied as a drench in any type of growing media or hydroponic system. This product is ideal during the vegetative development and growth of the plant.

APPLICATION CHART	Per gallon of water		Per 100 gallons of water	
	GROW A	GROW B	GROW A	GROW B
Light Feeding	10ml	10ml	1L	1L
Standard Feeding	20ml	20ml	2L	2L
Heavy Feeding	30ml	30ml	3L	3L

*\*always use equal parts of A and B*

15ml/gallon | 0.5oz/gallon | 3tsp/gallon | 1tbsp/gallon

Maintain pH of 5.5-7 pH adjustment may be necessary prior to application.

*\*Available in 32oz, 1 gallon, 2.5 gallon, 5 gallon*
