

SUPERthrive®

The *Original* Vitamin Solution

www.superthrive.com

**COMMERCIAL
HORTICULTURE**

SUPERthrive® has been used for over 50 years by farmers, commercial growers, and horticulturists of all types. Our highly concentrated, non-toxic vitamin formula enhanced with kelp maximizes potential by helping establish and maintain a strong root base. SUPERthrive® works with all fertigation systems and foliar application systems and is the perfect addition to your nutrient regimen.

BENEFITS

- 1 Vigor:** Increases plant root volume.
- 2 Stress-resistance:** Helps plants resist heat, heavy use and other stresses.
- 3 Integration:** Unique formula complements all nutrient regimens.
